ANNUAL MONTE CARLO NATIONALS

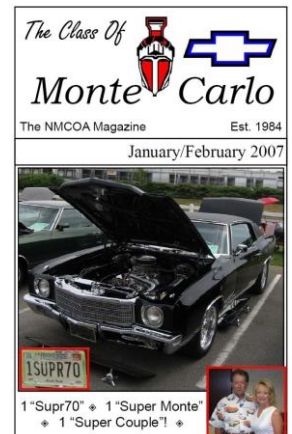

The National Monte Carlo Owners Association is dedicated to the preservation, restoration, and history of the Monte Carlo, and to provide fellowship and information to the membership.

Presently, our members can be found in every part of the United States, most provinces of Canada, and a few foreign countries. We are the Oldest & Largest International Club to cater exclusively to the Monte Carlo!

We pride ourselves on being a family-oriented organization and prefer to promote events that will involve the whole family. Our annual convention is held in a few different cities and offers an opportunity to see more Monte Carlos in one place at one time than anywhere else!

We are committed to our membership and to provide fellowship, information, and to remain family oriented.

“The Class of Monte Carlo”, our quarterly publication, has been published since 1984.
